Hello

So what do I need to know

Is this Jennifer?

Delivered

Yes

iMessage

Honestly my anxiety is too bad for that

Can you send a pic with a thumbs up or something

He has lied so much

He's still texting me right now

Ok thanks

I obviously read your post by now

+ iMessage

month

Has he ever mentioned me?

Just after he got caught

There are several more

Women*

how often did you see each other

A lot

You're kidding

I'm gonna throw up

when did you start dating

Last year

Your cousin mentioned around Paris

Have you been tested for STDs? He gave me one last year

Yes I have and I didn't have any

Obv will Again

Ok so maybe you guys didn't sleep

+ iMessage

How did you end things? Did he freak out?

He's flipping at me

Which he does when he gets caught in lies

That's what cheaters do

Yup

He's a master gaslighter

And manipulator

Sounds like it

And narcissist

So I'm curious what he said when you ended it. Did he try and defend himself?

Of course.

I'd love to know what he said

Just nonsense about how important I am, and I don't understand blah blah

+ iMessage

Did you guys take trips?

Small ones

Like where?

The cape or up north

You go to Maine with him?

No

Ahh. Interesting

When the hell did he have time for trips

That's what I'm saying

Literally who has this much time

I'm just shocked

I mean SAME

My heart is racing

Ya me too

I'm shaking this is too much

I can't believe he somehow hid all

+ iMessage

Choked me so hard he took a chunk of skin out of my neck

Neck

Girl!! Why are you entertaining this clown still

Dislocated my knee by throwing me on the ground

Holy fuck

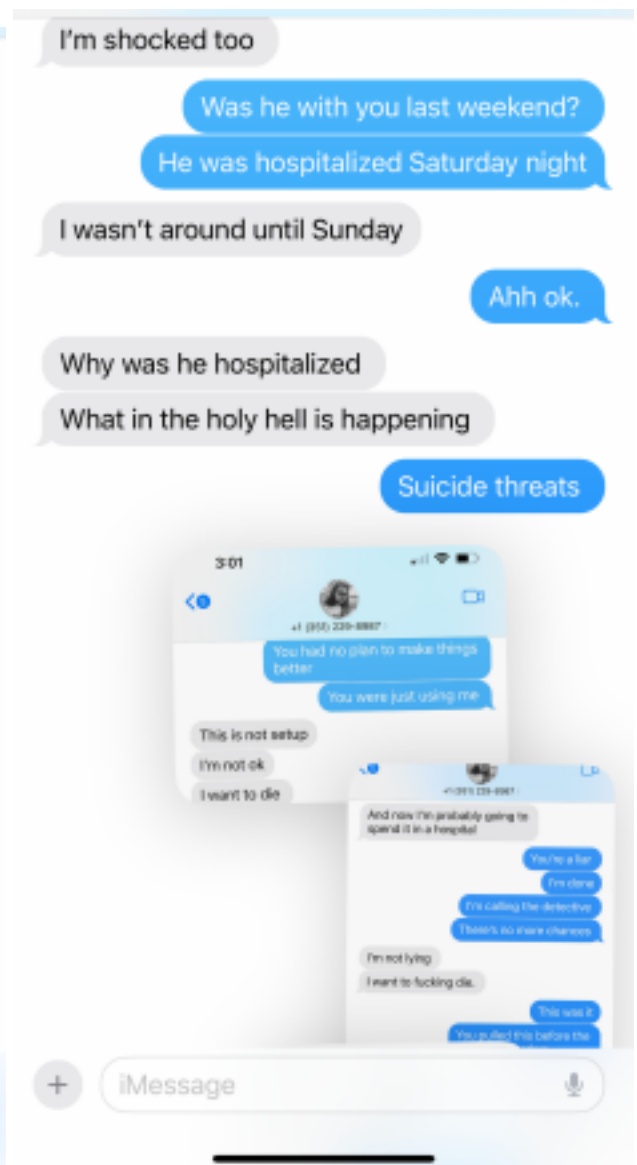

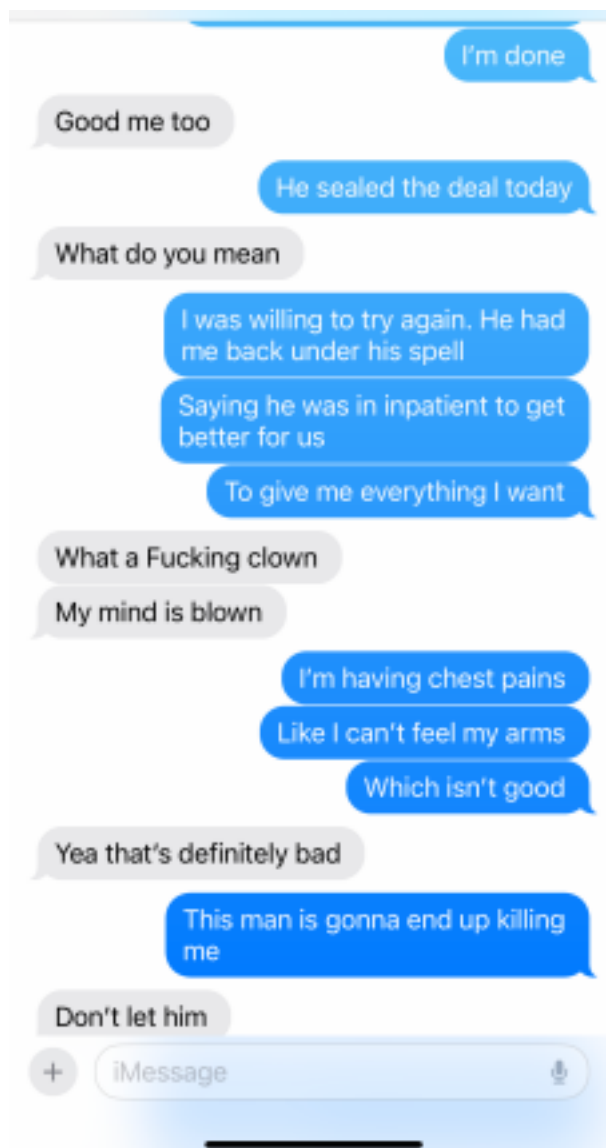

Because it's been 7 years of manipulation. It's hard to leave

But he has an open criminal investigation through Las Vegas pd

And several other women down in Florida have stepped forward

This is gross

I do not have any interest in being any part of this situation at all. I've wasted enough of my time. I want to move on. Thank you for letting me know, but please do not contact me anymore. I wish you well.

My apologies. Will do. I pray you move on from him.

Thank you. I absolutely am and will. I hope you do as well.

His family has been messaging me as they can't get in contact with him as he changed his number and ran off

So it's been a hard day

He hasn't messaged you from a new number has he? So I can send it to his brother?

Please respect my wishes to not be contacted. I've removed myself from
This completely.

Understood.
